| Professor:  | Mr. Allan Borra   | Date Submitted: | 27 – August - 2016 |

# **Sign-Off Agreement**

This agreement is effective from 25 of August 2016.

## **Document Purpose**

This agreement acknowledges that *Industrial Management Engineering Society (IMES)* has reviewed the services and systems delivered by *Ryan Austin Fernandez and Clarisse Felicia Poblete*

## **Agreement Parties**

### *Client*

Industrial Management Engineering Society (IMES)

### *Service Provider*

Fernandez, Ryan Austin

Poblete, Clarisse Felicia M.

## **Software Warranty**

A *Software Warranty* period of three months will apply from the acceptance date. This period covers the correction of implementation defects. In the context of web applications such as the Activity Scheduler, defects are defined as ‘anything that causes a functional error or causes the system to behave in a manner not intended.’ The software warranty does not cover the addition of new features to the system or modifications of existing ones.

## **Terms**

The client is pleased that all agreed and delivered services and systems have achieved a satisfactory standard and that all requirements have met the client’s expectations.

I have read and understood the above agreement:

Signed by the development team
